INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

and

4 children.

Residence:

Wettrace, Tenn.

Reasons:

Claimant, his father and grand-father were born in Warren County, Tennessee. - remote from the Cherokee domain. Their names do not appear in the rolls of 1835 ^{nor} 1851. -

Claimant's great grandfather the ancestor ^{from} whom he alleges Cherokee descent was but "a Cherokee", born in 1777 - and died in Warren Co. Tenn. in 1861. His name Absalom Brown, does not appear in the Rolls of 1835 nor 1851. And there is no evidence to show that he ever lived with the tribe or was recognized as being a member of the tribe at the time of the treaty of 1835-6 or since. Nor does it appear that Irvin P. Green or his ancestors back to Absalom Brown were ever thus recognized.

Honorable William C. Houston,

Sir:

I have the honor to acknowledge receipt of your letter of June 8, 1908, making inquiry relative to the application of Irvin P. Greer and children for participation in the Eastern Cherokee fund.

In reply you are advised that these claims have been given a preliminary examination but they have not as yet been finally acted upon.

More than 44,000 applications have been filed and in many instances testimony will have to be taken locally in order to obtain the necessary information to pass upon the claims. Some of this testimony has already been taken and several parties are now engaged upon this work, but it will necessarily take considerable time to complete the taking of testimony and the final adjudication of the claims.

If we are unable to reach a conclusion in regard to these claims the claimants will be notified to appear before one of my assistants at some convenient point to furnish the additional testimony required.

Very respectfully,

Special Commissioner.

Hon. Guion Miller, Spec. Commissioner,
#601 Ouray Building,
Washington, D. C.

Dear Sir:--

Your letter of March 27th to Mrs. Mollie Hunt in relation to application #22580 for participation in the Eastern Cherokee fund is received. She gives me such facts relative to her claim as she is able, and I answer you accordingly.

You ask, "Why you, your parents and grandparents, were never enrolled. Were any of your ancestors slaves?"

In answer to the first question, she does not know to what enrollment you refer, and if she did know, she is not able to say why her parents and grandparents made no enrollment, as your question would indicate, they did not. She, herself, filed her claim through her attorney here some time ago, which is the only enrollment that she has ever made at Washington not having been called upon to make such an enrollment, or knowing that such was necessary.

In answer to the second question,--none of her ancestors were slaves.

As stated in the application on file in the department, her grandfather was a full blood Cherokee Indian and lived in Roane County, Tennessee. She can furnish ample and satisfactory proof of this fact.

which will be answered so far as the facts are obtainable.

Appl. #22580

Mollie Hunt being first duly sworn, deposes and says:--

My name is Mollie Hunt. I live at 253 10th Street, Chattanooga, Tenn. I was born at Kingston, Tenn., 1850. I claim to be connected by blood to the Cherokee tribe of Indians. I claim through my mother, and her father. Her father was a Cherokee Indians. My father was a white man, and his mother was a white woman. My father lived and died in Roane County, Tenn. I think my mother was about 70 when she died. She died in 1900 or 1902. She was born in Flat Lake, Ky. I don't know where my grandfather on my mother's side was born. My mother did not live with the Indian tribe, she lived with the white people. My grandfather lived with the white people. My grandfather, Bill Baswell, was a full blood Cherokee. My grandfather on my mother's side never lived with the Cherokee tribe. He lived with the white people. I never heard of him getting any land or money from the Government. My grandfather did not have any Indian name that I know of. In 1882 I think I was living in Chattanooga, Tenn. This is the first time I ever tried to be enrolled with the Cherokees. I ~~at~~ applied this time because Mr. Jones came to me and said that if I could name my kin back through my mother that I could get something out of this fund. I never have heard of my mother or her father having lived with the Cherokee tribe. They always lived with the white people, there wasn't any tribe there.

Dear Sir:

I enclose herewith the application of Howard Lewis, a minor, made by the mother, Jennie Hampton. Although this application is not made within the proper time, the circumstances are set forth at length under the head of "remarks", and I respectfully call your attention to the same because of the novel situation.

This application comes from among those fullbloods who are known as the Ketowas, and it would seem that something ought to be done for this applicant if it is within your power to do so.

I respectfully request that you cause this application to be placed of record and given such consideration as you may deem proper.

Very truly yours,

BM.

Dear Sir:-

When do you expect to pay out the Eastern Cherokee money?
There are a great number of Eastern Cherokees residing around this town and in this locality, and we would like to get you to make a payment here, and if you will do so we will furnish you quarters and take care of your men while you are here.

Please let me hear from you along these lines, providing the matter is advanced far enough for you to know about it.

Very truly yours,

EASTERN CHEROKEE ENROLLMENT
601 OURAY BUILDING
WASHINGTON, D. C.

*Emaline Raper,
Tellico Plains, Tenn.*

May 1, 1907.

SIR:

In the matter of the enrollment of the Eastern Cherokees for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, of May 28, 1906, the Court of Claims on April 29, 1907, entered a further order directing the distribution of this fund *per capita*.

Under this order all Eastern Cherokees by blood, who were living on May 28, 1906, who can prove that they are descended from Eastern Cherokee Indians, parties to the Treaty of 1835-6 and 1846, will be entitled to enrollment. Minor children are to be enrolled with their parents.

You have already filed application No. *22624* for your own share of this fund, but it does not show whether you have any minor children. If you had any minor children living on May 28, 1906, you should fill out the inclosed Supplemental Application, and together with two witnesses acknowledge the same before a Notary Public or other proper officer, and should mail said application to this Office immediately.

If you have already filed a separate application for your minor children you need not file this supplemental application.

Do not fail to put your own application number on the supplemental application.

If you have children of age who have not filed applications, they should apply at once to this Office for an application blank, which will be forwarded without charge.

You should address all letters on this subject to the Special Commissioner of the Court of Claims, 601 Ouray Building, Washington, D. C.

Very respectfully,

GUION MILLER,
Special Commissioner.

April 2, 1908.

Emeline Raper,

Tellico Plains, Tenn.

Madam:

#5545X

The application which you have filed for participation in the Eastern Cherokee fund contains practically no information concerning your ancestry. Unless, therefore, you can furnish this office with additional information, your claim cannot be further considered. The additional information is:

1. The names of your grandparents on both sides? Were they, or any of them, ever enrolled: if so state when and where? If they were not, state why?
2. Why were you and your parents never enrolled?
3. State clearly all your reasons for thinking you are entitled to share in this fund?
4. Were any of your ancestors slaves?

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

My name is Enoch W. Thomas. My age is 55 years old and I was born in Polk Co., Tenn. I claim my Indian blood through my father. He died about 16 years ago. He was about 80 years old when he died. He was born in Rutherford Co., N. C. I think he claimed through both father and mother. My father claimed to be quarter-blood. Aaron Thomas was my grandfather and I think he was born in Rutherford Co., N. C. My father moved to Tennessee a number of years before I was born. My grandfather did not come here to this country. He died in Macon Co., I never heard of my father or grandfather drawing any money. Uncle Tom filed an Indian claim. My father and I have been known as white people, but have been with the Indians at times. I never heard of my father going by any name than Elisha Thomas, not my grandfather as Aaron Thomas. I have heard my father and uncle claim that they were Cherokees. My father I think was living in Rabun Co., Ga. in 1835. My father always voted. I cannot tell the name of the full-blood Cherokee Indian from whom I trace my blood. I am the husband of Missouri Thomas. (#23091). She is 41 years old. She was born in Transylvania, N. C. Her parents were born in Oconee, S. C. She claims through her mother. Her mother's name was Elizabeth ~~xxSignaturexx~~ Ellenberger and she was Elizabeth Garner before she was married. Her grandparents were born I think near Oconee, S. C., and died there. Her grandmother's name I cannot recollect. My wife passes as white and her parents passed as white. I never heard of their getting any money as Indians.

Special Commissioner of Court of Claims.

601 Ouray Building,

Washington, D. C..

Sir:-

I herewith enclose you certain applications for Eastern Cherokee payments, same being that of Mrs. Pauline Patton Halsell, and that of my minor son, Paul E. Rowsey. Both these claim thru their mother and grand-mother, Mrs. William C. Patton, whose claim was filed with the Commissioner of Indian Affairs. I give this letter of explanation inasmuch as the special form of application of a minor, same being a supplemental one, is not sufficiently full to establish his claim, and I attach same to an original application for him. If any changes are needed in this, kindly advise me so I may have same effected.

Respectfully,

Dis. W.E.R./C.P.K.-

Dear Sir.

Enclosed please find
Supplemental Application # 22675
for my minor son Walter W Hubbard
born Nov 14-1888. I supposed that
my former application giving the
date of birth of my three children would
show that one was a minor, and I am
wondering if I have made a mistake in
placing the names of my two children
that are of age on this supplemental appli-
cation. My two daughters one of which
has three minor children will soon
forward their applications and if it
is necessary for her to have special ap-
plications for her children please
forward blank at your earliest
convenience and oblige

Dear Sir:-

In response to your letter of Jan. 2 asking my reasons for thinking I am entitled to share in Eastern Cherokee fund. received. in response will say Mr Grand-father was a full blood Cherokee, born in N Carolina, Wilkes county. Mr Mother's father was African decent but was never a slave.

All papers relating to Mr Grand father (James Puller) were destroyed in the fire of our home in Grant Co. Ind.

My father whose name was James Puller Jr. was a half breed, making me some fraction of a Cherokee, under these circumstances I feel that I am entitled to a portion of the fund. my people were not educated and neither am I. none of us dreamed of a fund being set apart by the Government, and not a great deal of record was ever kept. I will furnish you with information I can, thanking you for any favor you can render me. Lucie Gaskins

Lucy A. Gaskin.

Lucy A. Gaskin being first duly sworn deposes and says:

My name is Lucy Gaskin, and I claim Cherokee Indian blood through my father, James Pulley. My father was born in N.C. near Greensboro. He was about 75 or 80 years old. He left N.C. when I was a child, I just can remember it. My father was the son of James Pulley, and I do not know when he lived and died. None of my people were ever held as slaves. None of my ancestors ever received any money from the Government on account of their Indian blood. My grandfather was a full blood Indian instead of a 1/2 breed as stated in my application.

Nancy Perkins sister of
Thomas Hammond being first duly sworn deposes and says:

I am 65 years old, and I live in Indianapolis, Ind. I claim my Indian blood through my grandfather Mark Hammonds, who was a full blooded Cherokee Indian. He was my father's father. My father was born in N.C. and was 62 years of age in 1875. He died in Hamilton County, Ind. and was born in Orange County, N.C. He was a grown man at the time he left N.C. My mother was married in Ind. and I am the second child by this marriage. My grandfather, Mark Hammonds was born and raised in N.C. He was a tolerably old man when he died, in 1848 or 1849. He lived in Orange and Randolph counties. He never received any money from the Government on account of his Indian blood, nor did my father. My father was recognized as an Indian up here. And my grandfather was also recognized as a Cherokee Indian. My grandmother on my father's side was a white woman. There may be a little colored blood on my mother's side, but none of my ancestors on either side were ever held as slaves. My great grandmother on my mother's side was a white woman, her husband was mixed Indian and colored. I am a sister to Thomas Hammonds, 22696, and Mary E. Roberts, and Victoria Henderson, Alice Lindley, and Sarah J. Roberts, and Cassius Hammonds. I am also aunt to Oscar Robbins, and Annice Furgerson, Leola Burden, and Effie O. Dempsey.

My mother was over half Indian. She got her indian blood through both my grandmother, Bizzie Lawrence, and grandfather Samuel Lawrence. My grandfather was half Indian, I've heard this lots of times. But I don't know how much Indian grandmother had. They had some colored blood. But none of my people were ever held as slaves. Both of my grandparents died when I was a child. I have heard my mother speak once in a while of their Indian blood.
